

# Joseph Consalvi

## Senior Associate, Massons

Joseph has more than 10 years' experience providing legal advice on commercial real estate transactions, including sales and acquisitions, leasing, property development, general commercial property advice and property aspects of corporate and government transactions.

Joseph has been involved in a range of property-related legal services for Australian and international developers, investors, property funds managers and property trusts, across a variety of asset classes, as well as advising major companies on corporate real estate matters.

He also has a strong background in acting for high profile national and international brands/retailers with extensive leasehold and freehold portfolios, local government in relation to critical real estate asset transactions, developers in solar farm acquisitions across multiple jurisdictions, foreign investment advice in relation to acquisitions of land in Australia and water access licence transactions.

Joseph regularly presents at Property Council of Australia Academy professional development courses, including topics such as 'Legal Aspects of the Property Life Cycle', 'Commercial Leasing Documentation' and 'The Lease as a Strategy to Enhance Value'.

Joseph is a member of the Law Society of NSW, Law Society of Western Australia, Real Estate Institute of New South Wales and Property Funds Association.
