

# Katherine Sainty

## Director, Sainty Law

Katherine is the founder and team leader at Sainty Law. Katherine is a corporate and commercial lawyer who specialises in digital, technology and media law.

A partner at Allens Linklaters for many years, Katherine gained significant experience advising clients from major technology, internet and media companies as well as Government departments and agencies. One of Katherine's key strengths and areas of focus, in the highly regulated and fast changing technology and media industries, is her knowledge and ability to interpret legislation and its interaction with other laws and policies.
