

# Mayank Gupta

## Partner, Cornwalls

Mayank Gupta brings a wealth of expertise, with nearly 20 years of international experience in corporate finance, leveraged finance, asset and project finance. He has acted for large financial institutions and corporates spanning jurisdictions including Australia, United Kingdom, United States, Middle East and Africa. Over the last few years, Mayank has worked closely with financiers and sponsors on large renewable project financings in Australia, Europe and Asia, including working on a large scale solar financing in the Philippines and the largest wind farm financing in the Ukraine to date. Mayank is working closely with several clients in providing thought leadership advice on ESG and sustainability programs to build long term value and growth.
