

Heather McKinnon

Partner, Bryant McKinnon Lawyers

While raised in Tamworth, Heather McKinnon has built her formidable reputation over three decades practicing in Coffs Harbour. Now one of the leading Family Law authorities in the country, her focus has always remained on helping people right here in this community to achieve the best possible outcomes in often difficult and traumatic times.

Heather's style is frank and solutions-focused. Not one to put people on a process-driven treadmill, she works to understand her client's individual circumstances and guide them through complex family transitions.

Exceptionally qualified, Heather not only has a specialist family law accreditation, she is also a Qualified Independent Children's Lawyer and an Arbitrator under the Family Law Act Regulations.

"It is my firm belief that Family Law is all about balance, care and absolute fairness, especially where children are involved."

Heather's attachment to this region extends well beyond her exceptional legal skills. She has long played a role in community-building projects. Over the years she has worked tirelessly with organisations such as the National Marine Science Centre, Warina Women's Refuge, the Mid North Coast Development Board and Friends of the Coffs Harbour Regional Gallery.
