

Spyridon Augoustinos

Associate, Green & Associates Solicitors

Spyro is an experienced property lawyer who handles a wide range of property matters including residential purchases and sales, put and call options, commercial acquisitions and disposals, retail and commercial leasing and reviewing and advising on loan documents. Spyro has had carriage of major commercial matters such as the acquisition and disposal of suburban shopping malls and enjoys working with his clients to complete their property deals. Some of Spyro's notable matters include negotiating a series of call option arrangements for the simultaneous acquisition of several residential properties for the purposes of redevelopment and the structuring of several call option arrangements for the redevelopment of neighbouring commercial lots in the Central Coast. Spyro is highly proficient in the PEXA system and can assist in registering all types of dealings on title.

Spyro's niche areas of experience include advising on contracts for sale for company title units in the Eastern Suburbs area, drafting simultaneous on-sale agreements for commercial properties and advising in neighbour disputes.
