

Madison Kelly

Senior Associate, Coleman Greig Lawyers

Madison Kelly is an Associate in the Family Law Team at Coleman Greig Lawyers and works closely with the firm's Accredited Specialists to assist clients in working through complex separation and relationship breakdowns.

Madison first joined Coleman Greig in 2017 as a Legal Clerk – when she was completing her studies at Macquarie University. Madison completed a Bachelor of Laws (Honours) and Bachelor of Arts in 2018, was admitted as a lawyer in 2019 and promoted to the role of Associate in July 2022.

Given that Madison's career started when she was a Legal Clerk, working under the guidance of lawyers around her, she has seen and experienced firsthand what is involved in ensuring that solicitors are at their best and ensuring that a firm is operating effectively to service its clients. Working at Coleman Greig both pre and post the Covid-19 pandemic has seen Madison endure the changes in the legal industry, particularly as it relates to technology, and the adept use of support staff in a changing environment.

Madison has a strong technical ability with a high level of attention to detail, proficient drafting and writing skills, strong interpersonal and advocacy skills and the ability to grapple with and analyse complex legal concepts. Being a strong communicator, Madison simplifies the legal process in a logical and straightforward manner, using examples and scenarios to help break down complex information.

Madison enjoys mentoring and finds particular fulfilment when assisting junior staff at the firm as well as support staff. Madison loves working as part of a team and finds it rewarding when each staff member feels that they are an important piece of the puzzle and have added value to a matter and to a client.
