### About Annie Haggar

Annie Haggar is Head of Cyber Security – Australia at Norton Rose Fulbright. Prior to that, Annie was the founder and principal of Cyber GC - a legal and consulting firm dedicated to helping businesses prepare, defend and respond to cybersecurity threats.

Annie is a multi-award-winning cybersecurity lawyer. She spent 12 years as legal counsel for one of the world's largest companies, including 6 years as global legal lead for its managed security business, now one of the largest cybersecurity companies in the world.

She has 20 years of experience advising government and private sector clients in technology law, enterprise security risk, procurement security considerations, global security regulation, and cybersecurity risk in mergers and acquisitions.
