

Dr Christopher Lenning

Clinical and Forensic Psychologist, LSC Psychology - B.A. (Hons); M. Psych (Clinical); Ph. D. FAPS

Christopher Lennings is a clinical and forensic psychologist and has worked as a clinician, academic and researcher in psychology for the past 47 years. He has published over 100 refereed articles and has presented as many conference papers and conducted more than 90 workshops, mostly on forensic issues to a variety of audiences including psychologists and other allied mental health workers, psychiatrists, lawyers and magistrates/judges.

He worked as a psychotherapist for several decades and provided training and workshops on mental health assessment and treatment to mental health professionals, lawyers and magistrates. He is an experienced expert at all levels of the State and Commonwealth Court and Tribunal system. He is a member and Fellow of a number of relevant professional organisations. He was awarded the NSW Forensic College award for Research Excellence in 2008 and for psychological practice and professional work in 2017. In 2013 he was awarded an OAM for his services to psychology and the community, and in 2021 elected as a Distinguished Fellow of the Forensic College of the APS..
