

# Shirli Kirschner

## Director, Resolve

Shirli is CEO of Resolve Advisors, a frontrunner of innovative and practical dispute resolution for the public and private sectors in Australia and internationally including Asia and the USA.

Her professional expertise includes facilitation (including mediation) and dispute system design. She has been involved in issues including water, energy regulation, telecommunications, land rights, financial regulation, music rights and distribution and risk management.

She has resolved disputes on behalf of Government, business and individuals in a wide variety of contexts including employment, banking and finance, taxation, consumer protection, defence, law, mining and resources, telecommunications, media and the arts.

Shirli Kirschner is also Co-Founder and COA of Elker, an anonymous reporting platform.

Prior to founding Resolve Advisors, she worked as a lawyer at Gilbert + Tobin before which she spent 4 years as a Senior Associate with Allens-Allen and Hemsley (as it was then).
