OF NEW SOUTH WALES

# Richard Fleming

## **General Counsel, Office of the eSafety Commissioner**

Richard Fleming leads the Office of the eSafety Commissioner's Legal Division, which supports the agency's regulatory activity across a wide range of legal and strategic issues, including coronial matters, administrative law matters, drafting and enforcing industry codes and standards, taking civil penalty proceedings, and law reform.

Prior to his eSafety role, Richard was at the Australian Competition and Consumer Commission leading investigation teams taking civil penalty proceedings in the Federal Court of Australia. Richard also led the National Anti Scam Centre, worked at Treasury on the review of competition laws, policies and institutions, and led the ACCC's Airline Monitoring role.
