

Jillian Pancott

Partner, Forensic Accounting Services (Australia), Sedgwick

Jillian Pancott has more than 15 years of forensic accounting experience. She specialises in business interruption and professional indemnity claims and catastrophe response, having played a leading role in quantifying economic losses and recovery relating to earthquakes, floods, and cyclones across Australia and New Zealand. She is a Chartered Professional Accountant in Ontario, Canada and a Certified Management Accountant.

Jillian has a strong commitment to mentoring and developing colleagues. She is the Treasurer of the Australian Insurance Law Association, and was the 2019 winner of the ANZIIF Young Insurance Professional of the Year (Australia).
