### **Richard Berkahn**

Richard is a cyber security and incident response specialist. He is part of the team that has advised on over 400 cyber incidents, including on some of Australia's most high profile and complex in recent times. He regularly advises local, trans-Tasman and London based clients on cyber incident and crisis response, data protection and privacy issues, cyber insurance, IT liability and recovery actions, third party claims and regulatory investigations.

He also has extensive experience providing clients with pre-incident services including the review, development and implementation of systems and processes to address cyber risk.

Richard has a keen interest in technology and innovation. He sits on the NSW Law Society Legal Technology Committee and he is an active member of the NSW Law Society Cyber Security Working Group.
